What we will be covering:

Our goal in this class is to learn how to make technology *work for us*. By using devices like scanners, digital cameras and computers, and working with software like Microsoft Word, PowerPoint, Excel, Access, and Google SketchUp, we will learn skills that will increase our productivity, and enhance our creativity!

Your Grade:

Your final mark will be based on the following items:

Theme	Item	Weight	Your Grade
PowerPoint (25%)	Organizer	5%	
	Presentation	20%	
Access (15%)	Organizer	5%	
	Final Database	10%	
SketchUp (30%)	Basic Model	5%	
	Advanced Model	10%	
	Complex Model	15%	
Excel & Word (25%)	Smarties Estimate	2.5%	
	Smarties Analysis	5%	
	Smarties Report	10%	
	Challenge 1	3.5%	
	Challenge 2	3.5%	
Technology Journal (5%)	Final journal	5%	
Total (100%)
