

Welcome To My World

Name: _____

Class: _____

For this assignment, you need to **make a PowerPoint presentation** that tells the rest of the class a bit about yourself.

You'll be presenting these in class, so make it look good and be creative!

Make sure you meet the following requirements:

- ☐ At least 8 slides long.
- ☐ At least 2 slide transitions.
- ☐ At least 5 animations.
- ☐ At **most** 5 minutes long.
- ☐ At least 5 photos that belong to you
(at least one of these must be scanned.)

PLAN YOUR PRESENTATION OUT!

Choose at least 6 slide themes from the following list, arrange them in order (1,2,...6), and jot down some details about each slide. When you're finished, bring your plan to Mr. Najarian.

Remember, **organization matters**, so try and make the order of slides flow logically!
